

Standard Filtrexx Trademarking Rules Language

The following are the general guidelines for use of all Filtrexx Trademarks and Registered Trademarks. Companies using any Filtrexx Mark must have the usage approved by Filtrexx prior to printing of materials or use in the public domain. For more detailed usage Guidelines, please see attached “*Guidelines for Proper Use of Marks*”

Questions and copy may be sent to Alex Marks, Filtrexx International, at alexm@filtrexx.com
